Certificate of factory production control
0672

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the

construction product: SPAX self-tapping screws for use in timber structures
produced in the factory: SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany
by the manufacturer: SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany

is submitted by the manufacturer to the initial type-testing of the product, a factory production control at the factory that the notified body

Materialprüfungsanstalt der Universität Stuttgart
MPA Stuttgart - Otto-Graf-Institut (FMPA)
Postfach 80 11 40
70511 Stuttgart / Germany

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate with the number
0672 - CPD - I 14.12.17

attests that all provisions concerning the attestation of factory production control described in the Section 3 of the European Technical Approval

ETA-12/0114 by ETA-Danmark A/S, Charlottenlund / Denmark

were applied.

Hence, the company is entitled to label the building product of the manufacturing plant SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal / Germany with the EU conformity marking (CE-mark).

This certificate was first issued on 06.09.2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference to the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

De verplichting van SPAX International

V.a. 01-07-2013 geldt in de Europese Unie enkel en alleen de nieuwe bouwproductenverordening (CPR) nr. 305/2011, die de oude bouwproductenrichtlijn (CPD) 89/106/EEG vervangt.

Algemene vernieuwing voor fabrikanten van bouwproducten is de opstelling van een prestatieverklaring (DoP).

De producten zullen worden blijven voorzien van de CE-markering, maar ook zal het nummer van de prestatieverklaring erop worden vermeld.

SPAX International biedt zijn klanten een zeer grote transparantie, doordat in de prestatieverklaring alle artikelen worden vermeld waarvoor op basis van de Europese technische goedkeuring ETA-12/0114 een prestatieverklaring kan worden opgesteld en derhalve een CE-markering wordt aangebracht.

Zodoende moet de prestatieverklaring ondubbelzinnig aan het product worden toegewezen resp. het product aan de prestatieverklaring.

U kunt de prestatieverklaring bijv. downloaden op onze internetsite.

Door de transparante documentatie kunt u direct de fabriek herkennen.
